Seventieth session
Items 7 and 137 of the provisional agenda*

Organization of work, adoption of the agenda and allocation of items: reports of the General Committee

Pattern of conferences

Letter dated 8 September 2015 from the Chair of the Committee on Conferences addressed to the President of the General Assembly

I am writing to you in relation to the provisions of paragraph 7 of section I of General Assembly resolution 40/243, according to which no subsidiary organ of the Assembly may meet at United Nations Headquarters during a regular session of the Assembly unless explicitly authorized by the Assembly. Subsidiary organs wishing to meet during a regular session of the Assembly must submit their requests through the Committee on Conferences.

I wish to inform you that the Committee on Conferences has received requests from the following entities to meet in New York during the main part of the seventieth session of the General Assembly: Committee on the Exercise of the Inalienable Rights of the Palestinian People, Working Group on the Financing of the United Nations Relief and Works Agency for Palestine Refugees in the Near East, Disarmament Commission, Committee on Relations with the Host Country, Executive Board of the United Nations Entity for Gender Equality and the Empowerment of Women and United Nations System Chief Executives Board for Coordination.

The Committee on Conferences, having carefully considered those requests and the reasons for them, does not object, on the strict understanding that all such meetings would be allocated conference services on an "as available" basis, from within existing resources, in such a way as to ensure that the work of the General Assembly and its Main Committees is not impeded.

Accordingly, I should be grateful if the General Assembly would explicitly authorize the following entities to meet in accordance with their requests, subject to the conditions referred to in the foregoing paragraph: Committee on the Exercise of the Inalienable Rights of the Palestinian People, Working Group on the Financing of the United Nations Relief and Works Agency for Palestine Refugees in the Near East, Disarmament Commission, Committee on Relations with the Host Country,
